Transportation Guidelines:

- Children will not be left unattended in any vehicle used for transportation. (As teachers are to conduct a name to face for each and every child present).
- Children will wear seat belts
- Children are expected to stay in seats, use inside voices, not remove seatbelt until vehicle is turned off/parked, and keep hands and feet to themselves.
- Children will not be left unsupervised at any time. When children are dropped off at elementary school, they are dropped off with elementary on-site supervisors.
- In order to keep all buses on schedule we are ask that you notify us if your child will not be transported by Kids R Kids either to or from school. Due to our very tight busing schedule, it is imperative that we know who will be in attendance each and every day, as our buses/drivers are not allowed to leave any school without all children being accounted for.
- Please make sure your child is here no later than 15 minutes prior to the scheduled time of departure to ensure that buses are leaving on schedule.
- *If you fail to notify Kids R Kids regarding your child's transportation/absence, your account will be charged a \$10.00 transportation fee.*
